Saturday 7/24	4:00PM-4:45PM	PANEL	Hall H	Paul W. S. Anderson, Milla Jovovich, Ali Larter, Wentworth Miller	Screen Gems: Resident Evil: Afterlife - In a world ravaged by a virus infection that turns its victims into the Undead, Alice (Milla Jovovich) continues on her journey to find survivors and lead them to safety. Her deadly battle with the Umbrella Corporation reaches new heights, but Alice gets some unexpected help from an old friend. A new lead that promises a safe haven from the Undead takes them to Los Angeles, but when they arrive the city is overrun by thousands of Undead and Alice and her comrades are about to step into a deadly trap. The fourth installment of the hugely successful Resident Evil franchise, Resident Evil: Afterlife is again based on the wildly popular video game series and this time will be shot in 3D using the same state-of-the-art cameras created for Avatar. Writer/director Paul W. S. Anderson, along with the film's stars Milla Jovovich, Ali Larter, and Wentworth Miller, will be on hand to show you some stunning 3D sequences and answer your questions.
